Dear Colleagues!

We invite you to participate in the 1st International scientific and practical conference, dedicated to the 100th anniversary of astrophysicist I. S. Shklov'sky "The problems of modern astronomy and methodics of its teaching".

The conference will be held on October, 6-8, 2016 at Natural sciences education department of Oleksandr Dovzhenko Hlukhiv national pedagogical university.

The directions of the conference work:

- *Scientific heritage of I.S. Shklov'sky.*
- *Methodics of teaching physics and astronomy at higher and secondary school.*
- *Physics of the sun and stars.*
- *Physics of galaxies and the interstellar medium and cosmic fluid dynamics.*
- *High energy astrophysics, gravity and cosmology.*
- *Natural and artificial bodies in the solar system and in extra-solar planetary systems.*
- *Radio astronomy and radio physics.*

The official languages of the conference: Ukrainian, Russian, English.

Forms of participation: report, brief report, stand report, participation in the conference without publication, publishing materials without participation in the seminars.

Organizing contribution of 350 hryvnias (UAH) is contributed by the participants personally on arriving. Organizing contribution includes: organizing expenditures on holding the conference, publishing conference programme and thesis materials collection and postal expenditures.

For participating in the conference till **September 1, 2016** it is necessary to send on the organizing committee address:

***Application form on the intention to participate in the conference.
Reports material.***

After the approbation at the conference the articles can be published:

1) At the professional edition of scientific researches in the pedagogical sciences "Oleksandr Dovzhenko Hlukhiv national pedagogical university bulletin" ().

2) At the professional periodical edition on natural sciences "Radio physics and radio astronomy", where it is possible to publish materials on the dissertation researches for gaining natural and technical sciences doctor and candidate degrees in the specialty: 01.03.02 – astrophysics, radio astronomy; 01.04.01 – physics of devices, elements and systems; 01.04.03 – radio physics (<http://journal.rian.kharkov.ua/index.php/ra/about>).

3) At the periodical edition of the scientific researches in the historical sciences «Historical studies of the social progress» where researches results in the history of science and technology, history of Ukraine, world history, history of separate regions etc. are published. (<http://issp.gnpu.edu.ua/>).

The scientific researches collection edition is planned to be published on the results of the conference. This edition is planned to be published on the authors' costs. **Price of one printed page of format A4 is 30 hryvnias (UAH). The number of pages is 3-5. Payment for the publication is to be transferred on the Privat bank card № 5168757229964277 – for Ivan Ivanovych Kachuryk.** Reports materials and payment receipt copies must be sent on the address shklovskiyi@ukr.net

REQUIREMENTS FOR FORMATTING THESIS

Only texts formatted in the editor Microsoft Word are accepted.

Page setup	A4 format
Margins:	Top and bottom - 2 cm, left - 3 cm, right - 1,5 cm
Main font	Times New Roman
Main text font size	14 font
Line spacing	1,5
Text alignment	according to the width
Indention (new line)	1 cm
Numbering pages	not required
Pictures	inserted into the text
Citing	in brackets [1, p. 2], references list in the end

List of the cited sources should be placed at the end of the report in the order of their appearing. While formatting the references the requirements of the state standards of Ukraine should be met: ДСТУ ГОСТ 7.1:2006 «Standards system on information, bibliography and printing. Bibliographic title. Bibliographic description. General requirements and rules of listing.». Reference list (without repetition) is formatted in the end of the text under the title «REFERENCES:» spacing a line after the main text.

Titles of the sent documents must be correlated with the publication author's surname, e.g. «Шевченко_Заявка» or «Shevchenko_Zayavka».

The example of formatting the thesis:

Oleksiy Mukoviz,
*Pedagogical sciences candidate, post graduate student of Mykhailo Drahomanov
National pedagogical university*

PHILOSOPHICAL AND ANTROPOLOGICAL ASPECTS OF SEARCHING EXTRA EARTH CIVILIZATIONS PROBLEM

The thesis

Reference List

!!!!!! The number of copies will be calculated according to the principle «one publication – one copy». Coauthors may get the additional copies for additional payment in case they are mentioned in the application form.

We shall be glad to see you in the town of Hlukhiv – the historic and cultural centre of the East Ukrainian Polissya and the former hetman capital of the left bank territory of Ukraine!

Organizing committee address: 24, Kyevo-Moskovs'ka street, town of Hlukhiv, Sumy region, Ukraine, 41400.

The Science and international relations department phone: +3 8 (05444) 2-33-06

Natural sciences education dean's office phone: +3 8(05444) 3-26-70

Conference responsible secretary telephone: +38(099) 230-79-51 (Viktoriya Konoplya)

Organizing committee contact telephones:

+38(066)-171-30-74 (Boris Hrudynin).

E-mail: shklovskiy@ukr.net

Application form for participating in the 1st International scientific and practical conference, dedicated to the 100th anniversary of astrophysicist I. S. Shklovs'ky "The problems of modern astronomy and methodics of its teaching ":

1. Name, patronymics, surname.
2. Work place.
3. **Scientific degree and honours.**
4. Declaring the wish to make a report and the report's title.
5. Home address, contact telephone.
6. **Necessity of additional copies of the conference materials, and also the address of the nearest department of "Nova Poshta".**
7. **Planned number of days of participating in the conference.**
